What does the data suggest for priorities for the next academic year?

(Identify whether any underachievement was cohort specific or a wider issue to be addressed in the following year)

Throughout school last year in 2016/17, **disadvantaged pupils** attained significantly below other pupils (see data above). Many disadvantaged pupils are also New to English and/or SEN. In Year 6, the progress of **disadvantaged pupils** was marginally better than other pupils in this cohort in Reading and Writing and progress was similar to other pupils in Maths

2017 PP Reading progress: -2.7 (all -3.3)

2017 PP Writing progress: -1.1 (all-1.5)

2017 PP Maths progress: -3.0 (all-3.1)

3/30 (10%) year 6 pupils had no KS1 results and are not included in the progress measure.

SEF objectives relating to disadvantaged pupils:

Objective number 1 Close the attainment gap interventions for lower prior attaining PP pupils in R/W/M

Objective number 2 Challenge in maths for higher prior attaining PP

Objective number 3 Fast Track phonics/spelling for PP pupils with gaps in phonic skills

SEF objectives and Park View Academy Development Plans for 2017/18 prioritise improving the attainment and progress of disadvantaged pupils in English and Maths. This pupil premium strategy identifies the focus of the work to be done in each year group.

Our prime focus is to ensure more pupils in the emerging prior attainment bands and those who are below EXS in KS1, especially disadvantaged pupils, make better than expected progress to meet the expected standard in reading, writing and maths at KS2.
