

Accessibility Plan

This Accessibility Policy and Plan 2015 – 2018 complies with current legislation and requirements as specified in the Equality Act 2010.

Park View Primary Academy is committed to providing an accessible environment that enables full curriculum access, and includes all pupils, staff, parents and visitors regardless of education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness in school.

Definition of disability

According to the Equality Act 2010 a person has a disability if:

- He or she has a physical or mental impairment, and
- The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The purpose of our accessibility plan is:

- To provide safe access throughout the school for all school users, irrespective of their disability
- To ensure that the curriculum and the teaching and learning environment are accessible and suitable for all staff and pupils, tailoring the requirements to suit individual needs
- To improve and make reasonable adjustments to the delivery of written information to pupils, staff, parents and visitors with disabilities.

Monitoring and Review

This plan will be monitored through the EAB. This will happen as the Department for Education advises, every three years.
