

### Primary School Sports Grant Projection 2018/2019

Increasing pupil participation in PE and sports has been a priority since the beginning of the PSSG. Having seen the positive impact that employing a Sports UK coach had in meeting that need in 2017-2018, we have decided to use the majority of the grant in this area in 2018/2019. Employing an external coach again will mean that all classes (KS1 and KS2) will have at least one session with a highly skilled sports professional. Staff will be able to gain CPD from the sessions, which they can use in their own PE sessions. The PE Leader has liaised with the coach to ensure there is appropriate curriculum coverage over the year. All classes have been allocated PE slots throughout the day to ensure they have 2 sessions per week.
