Fruit for break time

Hi Parents /carers,

I would like to begin by thanking you for your continued help and support. Our attendance is currently 96% which is very good considering the circumstances.

This morning a parent was asking if they could give their children fruit to have at break times. Although we already give Key Stage 1 fruit daily and provide Key Stage 2 fruit on occasion, I would be happy for parents to include their own fruit to encourage children to eat healthily at break times. However please remember that grapes are not allowed in school.

If you have any suggestions or ideas that you feel will help improve our school please contact the office or ask to speak to the Head of Academy, Mr Paffetti. We are always happy to take on board parents ideas and feedback.

Many thanks

Mr Paffetti
