Dear Parent/Carer

Parent Governor Vacancies

I am pleased to inform you that there is the opportunity for you to be more involved in the education of children in your community and city.

Park View Primary School has vacancies for Parent Governors (also known as Academy Advisory Board Members); you will be expected to attend approximately 6 meetings per year where the following subjects will be discussed;

- The direction and vision of the school
- Asking questions of the Head of Academy to ensure the school is performing well to educate the pupils
- Receiving Finance updates to make sure the schools money is well spent
-

This is a voluntary role, but very rewarding. You do not need any qualifications and training is available should you want it (some initial training is compulsory but support will be available if needed).

If you are interested in one of these exciting opportunities and you currently have a child at Park View, you can nominate yourself by completing the form below and returning it to the school by the **Friday 6th April 2022**. Please complete the form on the reverse of this letter to say why you are interested.

If there are more applications than vacancies, an election will take place and the information in the personal statement (below) will be used for other parents to decide who they would like to represent them. You will also be asked to complete a form to state that you are eligible to be a Governor.

If you would like to have more information about this opportunity, please do not hesitate to contact the school to discuss it further.

Yours sincerely

Riccardo Paffetti
Head of Academy
