Dear parents / carers

**SRE and Healthy Relationships Lesson**

You will be aware that we aim to promote personal wellbeing and development through a programme of Personal, Social, Health and Economic (PSHE) education.

From September 2020 the Department for Education made Relationships Education compulsory in all schools.

On Wednesday 8<sup>th</sup> June, Mr Paffetti will be teaching growing up and puberty to the Year 5 & Year 6 boys and Miss Stephenson will be teaching growing up and puberty to the Year 5 & Year 6 girls.

We will discuss the following with the children:

The boys will be taught about personal hygiene, body changes and the importance of healthy relationships.

The girls will be taught about personal hygiene, body changes (including periods) and healthy relationships.

All the lessons will be age-appropriate and meet the needs of all pupils in the class. A variety of opportunities will be provided for pupils to ask questions to further their understanding and to find out more about what affects them personally.

Please fill in the consent form below stating if you do or do not wish your child to take part in the lessons.

Kind Regards

Mr R Paffetti  
Head of Academy
