Final week of the year!

I'm not sure where our year has gone but we have reached the final week of the school year. It has been a fantastic year at Park View as we begin to grow the opportunities for all of our pupils. There have been trips, in-school events as well as sporting competitions. Next year we look forward to continuing these further whilst adding other activities such as after-school clubs.

Pupils' Opportunities

Year 6 started their half-term by travelling to Dallowgill, where they have spent 3 days exploring the centre and the surrounding woodlands and hills.

After much excitement, **Year 2** finally made their visit to Tropical World in Leeds. It was a great opportunity to make connections with their Science from across the year: life-cycles of animals and plants.

Year 4 made their class trip to The Yorkshire Wildlife Park for a fun packed day with the animals. They were lucky enough to take part in workshop about endangered animals and conservation.

Culture Day

The pupils had requested the opportunity to hold another Culture Day at Park View. A fabulous day was had by all pupils who had the opportunity to wear traditional dress, take part in African Dance, Bollywood Dance and Samba Drumming Workshops.

It was a fun packed day enjoyed by all.

Fundraising

As I am sure you are aware, school budgets are very limited at the moment. In order to continue to offer subsidised visits for our families, we will be holding a number of fundraising activities next year. We will be launching this in our final week, next week where we will be selling ice-lollies after school for 50p. These have been donated to us Carlton Cricket Club and allow us to save the profit to put towards future school trips. We hope you'll support us in this.

Friday 14th July 2023

Recycle and re-use

We have lots of 'lost' uniform at school that includes, t-shirts, jumpers and cardigans. Next week we are asking parents/carers to come and claim uniform that belongs to their child. We will also be offering the uniform to be recycled by families who would likely to take any garments for their own child. We will be doing this next to the Family Link Centre so why not come and have a look while your child grabs an ice-cream!

Important Dates

Just a reminder that we break up for the summer holidays on **Friday 21st July 2023**

We return to school on **Tuesday 5th September 2023!**

You can find next year's term dates on our school website: www.pvpa.org.uk

And finally...some goodbyes!

We have some goodbyes to make to our staffing, some who have been with us a while and others who joined our journey this year. Can I thank Miss Ward (Y1) and Mrs Schmidt (Y6) who have stepped in to be part of our team this year. They have worked incredibly hard with our pupils and have been a great help to our school community. We also need to say thank you, goodbye but good luck to Mr Zaman. He has worked with us as part of our support team for the last 2 years but it is a pleasure to announce has accepted a position as a Year 4 teacher in Bradford starting in September – we wish him the best of luck!
