Welcome back!

It has been great to welcome everyone back into our academy this week including some new faces. Some new pupils have joined us as well as a new member of staff. I would like to welcome Miss Cartwright who is our Vice-Principle and will be teaching Year 6. She joins us from the Delta family, The Vale Primary Academy. I'm sure you will join me in welcoming her to the wonderful Park View Community.

Attendance

At Park View Primary Academy we are committed to providing a high-quality education for all pupils. Children make great progress in their learning and wider development when they attend school regularly and on time.

We expect children to achieve an attendance target of 96% or above.

This means that they would need to attend school for a minimum of 182 out of 190 possible days.

We have a responsibility to monitor the attendance of all children very closely and to support parents and carers to ensure that children come to school regularly and on time.

Should I keep my child off school? The NHS has provided some useful information around when/when not to send your child to school. It can be found here by scanning the QR code.

Breakfast Club

At Park View, we run an 'Open Doors' breakfast club to support our families. If this is something that would help you and your family, please just come to the Family Link Centre on the days you need to use it.

Opening: 8 a.m Monday-Friday

Cost: 50p per child, per day

Parent Pay and My Child at School APP

As you know, payment for school meals is completed through **Parent Pay**. This QR code will help you navigate to find the web page.

As well as online payment for lunches, we will be using **My Child At School** for other payments, such as school trips. The QR for this is here:

All families were sent individual login details during the summer term. If you need these re-sharing, please email info@pvpa.org.uk or visit the school office where staff will be able to help you.

Pupils' Opportunities and fundraising

Last year we worked hard to bring back opportunities for our pupils to go on educational visits. These were well subsidised by our school budget

and we will continue to support costs this year.

Alongside funding from school, we will be taking part in lots of fundraising this year to help keep the costs of visits as low as possible.

With your support, we were able to raise £130 just in the final week of the summer term!
